ABOUT AURO University - School of Hospitality Management

School of Hospitality Management is a premium school focused on creating, through value education, a generation of high achieving leaders for the most happening hospitality industry. The school continuously endeavors to disseminate knowledge and skill through education and training to scholars, while also raising the bar higher to acquire and generate new knowledge through research.

ABOUT NBCC' 2019

In the first edition of N.B.C.C. held in 2015, there were 16 teams from 8 states across India which participated in this competition. Total number of participants and faculty members were 100. Christ University, Bengaluru emerged as the winners in the first edition of National Budding Chef Competition. In January 2016, AURO University organized the second edition of N.B.C.C. having 20 teams participating across India in this three day mega

competition. Total participants and faculty members were 130. Culinary Academy of India, Hyderabad emerged as the winners in the second edition of National Budding Chef Competition 2016. The last two editions of NBCC 2017 & 2018 was won by Culinary Academy of India, Hyderabad.

This challenging competition is designed to attract national level participation involving senior and junior chefs from India

competing on an internationally modelled platform. The prime objective of the N.B.C.C. is to establish a professional platform, where culinary professionals across India could display their individual and combined skills, creative talent and learn, share, experience, partner and network in a purely business like and competitive environment.
